2009 Replant Program

ALL REGIONS

Any field planted first with an Americot or NexGen variety and replanted with an Americot or NexGen variety in the same season is eligible for 100% reimbursement of the suggested retail price of the originally planted seed.

Program Conditions:

- Claims must be submitted to Americot no later than **July 15, 2009**. Program will be discontinued thereafter.
- Farmers seeking a Replant Refund should contact dealer before tilling or replanting any field associated with a Replant Refund request.
- **On-site verification and documentation by Dealer or an Americot sales representative must be completed prior to replanting in order to be eligible for reimbursement.**
- Replant seed quantity may not exceed quantity used to plant the failed or lost stand.
- Claim must include proof of purchase of Americot or NexGen brand cotton seed used to plant claimed acres.
- Americot makes no warranty or guarantee regarding availability of specific varieties for replanting purposes. If the original planted variety is not available another Americot or NexGen brand cotton variety must be substituted for replanting purposes in order for farmer to be eligible to receive a Replant Refund on the replanted acres.
- Recipients of replant seed under the terms of this program are responsible for the payment of any and all technology fees associated with the replant seed.

Claim Process:

- Notify your dealer about claim.
 - Dealer or Americot sales representative verifies growers claim.
 - Contingent upon approval, dealer completes Replant Claim Form and faxes to Americot along with proof of purchase.
 - Settlement for seed (refund) will be issued via check made out to the dealer and grower and mailed to the dealer.
