Plains Cotton Growers Statement on Release of Farm Bill Conference Report

"We continue to be encouraged by the swift recent progress made on the 2018 Farm Bill with the release of the Farm Bill Conference Report," PCG President Stacy Smith said. "This policy package contains many of cotton's top priorities, and provisions that will benefit farmers across the nation.

"We greatly appreciate House Agriculture Committee Chairman Mike Conaway, Ranking Member Collin Peterson, Senate Ag Committee Chairman Pat Roberts, Ranking Member Debbie Stabenow and all members and staff of both committees for their steadfast efforts in ensuring that this bill continues toward the finish line. We urge Congress to act quickly to achieve final passage of the bill and President Trump to sign it into law so we can have this vital legislation in place as soon as possible."
